

## Post 16

One of the advantages enjoyed by an 11 to 16 school is that all pupils are involved in their final year in making choices about their future and pupils at Holmfirth High School have a range of opportunities available to them.

These include further education at Greenhead College, Huddersfield New College, Kirklees College and other Sixth Forms.

Increasing numbers of pupils choose to take up a variety of vocational training courses and modern apprenticeship schemes attached to permanent jobs. However, typically around 81% of our students progress into college sixth forms or a further education college. The table below give a breakdown for the last three years.

Destination	No. of pupils		
	2018 (provisional)	2017	2016
Sixth Form/Further Education/Study Programme	247	246	233
Training/Employment	15	13	23
Unemployed/Moved away/Unknown	1	4	4 (3 due to illness)
<b>TOTAL</b>	<b>263</b>	<b>263</b>	<b>260</b>
