

KS4 OPTIONS 2021 - 2023

Options Online Access

Year 9 Students – February 2021

All students will receive an E-mail invitation to register for Sims Options Online via their school email account. They will be required to click on the link within the email to access Sims Options Online. The email will be sent from 'noreply@sims.co.uk'.

Activation will be validated by students entering their Date of Birth when requested, in a “**DD/MM/YYYY**” format (eg 01/05/2006). Then follow the on-screen instruction after selecting the 'Sign in with Microsoft' option account type.

Select “Sign in with Microsoft”

ACADEMIC YEAR 2021/2022 - OPTION SUBJECTS

You must pick one subject from each option block plus one reserve from each block.

You must choose at least one of the following **EBACC** subjects - Geography, History, a Language, Separate Science.

You can only choose one 'DT' subject - Graphics or Textiles or Product Design.

You can only choose one subject from Automotive Maintenance or Engineering.

When you have chosen your subjects and reserves, put them in your order of preference in the order panel. Place in order both your choices and your reserves in your preference order.

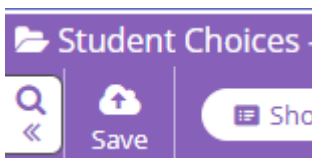

IF IN DOUBT - ASK FOR HELP

Preference order of option choices and reserves...

Can be adjusted to your preference order, as the example below. However, we do ask that the your main EBACC subject is placed at position 1. simply highlight the subject to be ordered and select the green "click to move here" choice.

Please remember to use the save after you have made changes to your options using the **save button** towards the top left of your screen, as below.

The online Options entry, after registration is completed is located at link below.

<https://www.sims-options.co.uk/>

Use the sign in with Microsoft option which uses your email account details
